Company Overview

Accessotronik is a well-established electronics distributor, working to enhance our customers success since 1989. We are committed to providing quality products to a variety of markets including industrial, commercial, government, hospital, education, military and data/communications.

Highly knowledgeable and responsive representatives

The collective years of our experienced sales staff is unique in the industry. We strive to understand our customers needs by identifying the right solutions and work diligently toward providing complete satisfaction.

An expanding force

We have taken steps to expand our response capabilities. It is now easier than ever to do business with Accessotronik. You can call, stop by our store or visit us online and expect prompt and professional service.

Access to our diversified inventory

Part of our success has been to keep a diversified inventory of electronic components and equipment in stock including the highest quality products from today's leading manufacturers.

In addition to our vast inventory, we also provide the following :

- Competitive pricing
- No minimum order
- Accurate and promptly filled orders
- Fast and reliable delivery
- Dependable world-class service

We look forward to adding you to our growing list of satisfied customers.

Contact us today and let us know how we can assist with your next project.

Electro-Mechanical and Cable Assemblies

For over 25 years, Accessotronic has established a reputation of excellence in the electro-mechanical and cable assemblies market. Our modern facilities provide high quality controlled solutions in the manufacturing of custom cable assemblies, wire harnessing and wire processing. Our experience in electro-mechanical assembly enables us to offer superior quality products customized to meet customers specific requirements.

Our Expertise :

- Soldering and integration of circuit boards
- Telecom and test system cabinet assembly
- Panel and enclosure assembly
- Wire processing solutions
- Wire harnessing assembly

The reasons for our success :

- Performance equipment
- Quality materials
- Competitive pricing
- Quick turnaround
- IPC-A-610 and IPC-A-620 certified

Let us Handle your next project!

Product seminars, Soldering courses and IPC Certification

Accessotronic has a state of the art electronic soldering lab and offers IPC certification in our lab or at our customers location.

We also offer informative hands-on product training seminars and the possibility for customers to receive training on their own soldering equipment.
