# ACCESS TRONIK

DISTRIBUTOR OF ELECTRONIC COMPONENTS AND EQUIPMENT

We are a well-established distributor, working for your success. We are committed in providing quality products to a variety of markets, including industrial, commercial, government, hospital and educational.

Our diversified inventory includes the highest quality products from today's leading manufacturers. You have access to our expansive product offerings by reviewing our linecard on the following pages.

In addition to the accessibility of our vast inventory, we also offer to our valued customers the following services:

- Knowledgeable, highly responsive representatives
- Dependable, world-class service
- Competitive pricing
- No order minimum
- Accurately and promptly filled orders

Call us today and let us know how we can help you with your next project. We'd appreciate the opportunity to add you to our growing list of satisfied customers.

## **Cable Assembly Division Manufacturing Facility**

- Modern facility
- State-of-the-art Equipment
- High quality cables
- Electro Mechanical assembly
- Quick turnaround
- 20 years manufacturing expertise

### **Quality Cables Every Time**

We are a proud member and owner of Edge, a national distributor group committed to offering you extensive inventory selection, excellent local service and vast product knowledge.

Utilizing the group's purchasing power of more than \$700 million, we are able to deliver you the right items at competitive prices. Our knowledgeable staff provides answers and prompt solutions to all of your product needs. We draw products from our expansive local inventory, but also have access to hundreds of thousands of products throughout the group's network of more than 170 warehouses across the U.S. and Canada. Whatever your need, Edge members can provide the solution.

## Introducing a New

# 5 second rule

**Step 1**  
Insert Fiber

**Step 2**  
Activate Tab

**Step 3**  
Install Boot

**Fool-proof Termination in Three Simple Steps... Now That's Brilliance!**

Belden FiberExpress® Brilliance® Connectors make fiber terminations fast, simple and reliable. Brilliant in their design and implementation, they are the only fiber optic connectors in the marketplace to offer reliable terminations in less than five seconds – with **NO** termination tools needed.

For more information, call Belden today at 1.800.BELDEN.1 (1.800.235.3361) or visit [www.belden.com](http://www.belden.com)

**COOPER Bussmann**

## Cooper Bussmann® Products Keep You Protected and Connected

From the leader in downtime reduction, workplace safety and code compliance

**Fuses**

Midget & Class CC

- Time-delay & fast-acting
- Up to 600Vac/300Vdc, 1-30 amps

Class G, J, RK1, RK5 and T Fuses also available

**Fuse Holders & Blocks**

- Open blocks up to 600Vac, 1-, 2- & 3-pole
- Finger-safe CH Series fuse holders for Class CC, J and midget fuses, 1-, 2- & 3-pole

**Power Distribution Blocks**

- High SCCR up to 200kA
- Open and finger-safe versions
